

**Fees Regulating Authority**

**Date : 13/11/2020**

**For the information of Colleges / Institutes**

Pursuant to the resolution dated 7/10/2020 passed by FRA, Colleges / Institutes submitted their says vehemently opposing scaling down fees on any count. However, they are kind enough to declare that in deserving cases the students would be offered scholarships, concessions / installments towards payment of annual fees. The FRA understands that such concession or facility to pay the fees in installment is being offered from the initial stage i.e. from the stage of admission.

Pending the final decision on the resolution dated 7/10/2020, it is expected of all the Colleges / Institutes to declare on their website the above facilities available to the deserving students.
